7. [redacted] reported that all preliminary work on the OSL Analysis Division space was being pushed, but that expansion was contingent upon moving the R&D Division to the second floor. DD/I is beginning the internal moves necessary before vacating 2E13 and 19, but the Chief, Logistics Services Division, has given no estimate as to the date the space will be ready for OSL occupancy. The QMD and OSA space estimates remain about the same - 20 June to late August.

8. Discussion of candidates for a vacancy this year at the Industrial College of the Armed Forces and DD/R representatives for the "One Hundred Universities" program was deferred to the Career Service Board.
